

DICHROIC GLASS KALEIDOSCOPE CLASS

by California Artists

Judith Paul & Tom Durden of Images Kaleidoscopes

Saturday November 12, 2011 1-5pm

presented by

La Casita de Kaleidoscopes

389 East Campbell Ave

Campbell, Calif. 95008

This unique & exciting class will allow each student to create a beautiful,
one of a kind kaleidoscope that retails for over \$200.

Create a beautiful, sparkling dichroic glass exterior, with the same sparkle in the oil object cell.
Choose from several different mirror systems, and add your own personal pieces to the object chamber.

Class registration.. \$150 Class size will be limited to 8 students

(register by November 1st & receive 10% off on your next purchase at La Casita de Kaleidoscopes)

Call (408) 370-7877 or (505) 615-3132

This is a wonderful opportunity to learn and appreciate the kaleidoscope making process
as well as creating a gift of Timeless Beauty for the Holidays
